Languages from your lounge room
INDONESIAN

You may not be in your regular school classroom, but there are still lots of ways you can learn and use languages from your home!

Go to the following website

https://ntschools-dedlcl.libguides.com/languageloungeroom

and click on the **INDONESIAN** button.

You will find a range of challenges to try.
Can you complete at least one from each category?
Share what you are working on with your family.

You will also find links to websites, games and resources to support your learning.

Kamu pasti bisa! Try your best!
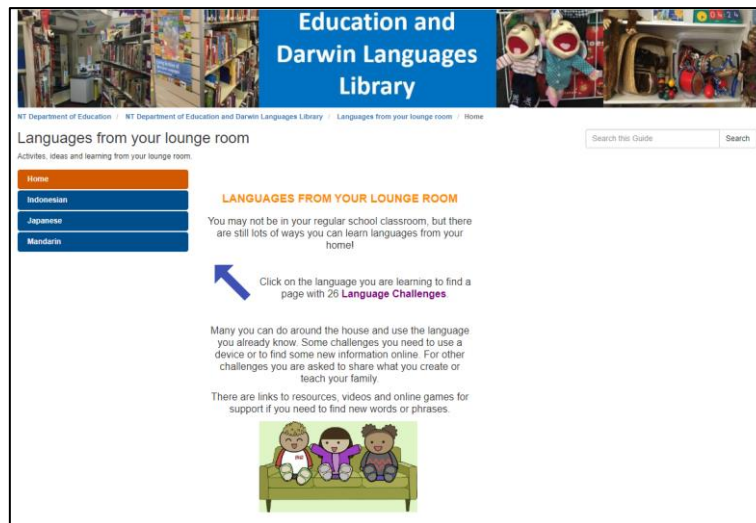

✓ Tick off the challenges you complete below.

Note: Most challenges are suitable for students T-6, however those marked with a ★ are more suited to students Grade 3 and above.
